

INTERCEPTOR Metal Detector

KEY FEATURES:

- Simultaneous Multi-Frequency Operation
- Broad Spectrum Frequency Transmission
- ARM Processors: Multiple Channel Signal Processing
- 100% Detection Sensitivity Increase
- Noise Immunity Structure
- Single Pass Product "Learn"
- Automatic Product Tracking
- Contact Reporter Software Included

APPLICATIONS:

- Bakery
- Meats
- Dairy
- Prepared Meals
- Packaged Products
- Confectionery
- Fresh Foods

AVAILABLE OPTIONS:

Automatic Testing System

HALO[®]

Integrated Vector Conveyor Systems

Contact Communication Software

OVERVIEW:

Interceptor metal detectors are custom manufactured to achieve superior results in challenging applications. The Interceptor uses a simultaneous multi-frequency operation that effectively processes the transmission and reception of multiple frequencies continuously over a broad spectrum. This revolutionary operation facilitates an improvement in detection capabilities of up to 100% with stainless steel, especially when inspecting traditionally difficult "wet" products.

The Interceptor is the result of continually refining the Simultaneous Multi-Frequency Technology that was initially developed and installed in 2009.

THE FORTRESS ADVANTAGE:

- NEVER OBSOLETE Commitment: Fortress detectors are always supported with parts, service and upgrades.
- Modular design; have fewer components
- Outstanding Reliability
- Exceptional Performance
- Simple Operation
- Custom built detectors or stock sizes

DETECTOR OPTIONS & SPECIFICATIONS:

Construction	Stainless Steel
BSH Extra-Rugged Casing	Vibration immunity and stability in heavy duty applications and harsh environments
Aperture Lining	Epoxy resin for heavy wash down or dry liner for wipe down applications
Rating	Stainless Steel: Nema 4X / IP69K
Remote Mounting	Display panel terminal can be mounted remotely (Up to 4000ft / 1,200m)
Network Communications	Ethernet & WiFi via Contact Communications Software
Electrical	90-250v Single phase, 1 amp, 50-60Hz

Simple Operation. Outstanding Reliability. Exceptional Performance.
